

Gregory W. Stewart

Greg Stewart is the co-founder and President of NexGen Management, LLC. In 2003, after more than 30 years as a top performer in sales, sales management, operations and product management/marketing in the global high tech industry, he started this Professional Services and Executive Coaching firm.

NexGen Management specializes in providing one-on-one leadership and guidance to Business Owners and Managers in improving the professional management, business operations, and financial performance of their business, ranging in size from a single ownership to a FORTUNE 100 corporation.

The firm provides the following services:

- Executive Coaching
- Process & Operational Improvement
- Keynote Speaking
- Manager Training/improvement programs
- Planning, Developing, and Implementing Baldrige Quality Programs

Prior to starting NexGen Management, Greg built and developed high performance teams with AT&T in the domestic USA and Global arena focusing on network and technology outsourcing and international data network expansion. During this period he helped spearhead the expansion of a variety of services in the US, Europe and the Asia Pacific regions. Recently, Greg owned, developed and sold a small consumer business doubling the annual revenues in 1 year.

He is a well known speaker for various types of professional conferences. He has presented and coached on TIME MANAGEMENT, PEOPLE MANAGEMENT, EMPLOYEE RETENTION/GROWTH/RECRUITMENT and LEVERAGING BUSINESS SOCIAL MEDIA IN YOUR BUSINESS workshops and presents real world solutions to the conference attendees.

Greg brings together his career experiences and lessons learned to his clients, workshops, and conferences. He is the current chairman of the Technology Committee for the Morris County Chamber of Commerce and a Board Trustee and President with the M.O. Area Chamber of Commerce and was named to the National Board of Examiners for the Baldrige Performance Excellence Program. In addition, Greg is a Certified Senior Business Advisor with the Institute for Independent Business, a prestigious international training and certification organization.
