

# Meet Cheryl Bonini Ellis

....helping talented executives become great leaders.

**Your company faces many challenges and opportunities**—building your customer base, having the right talent in the right place at the right time doing the right things, maintaining profitability and meeting the expectations of all your constituents--shareholders, customers, team members and the community. Have you ever asked yourself "how can I get the expected results *and* make time for the other things that really matter in life?"

Trusted Business Advisor Cheryl Ellis, with over 30 years of rich and varied work experience, has the ability to answer this question and the energy to make it happen. She believes that your "business shouldn't be running your life, it should allow you to have the life you want." By mentoring and educating her clients in setting and reaching goals, she inspires them to reach pinnacles they didn't think were possible.

Cheryl has, figuratively, walked for miles in your shoes. She progressed from the entry level to the senior executive ranks of a company with a name that's known worldwide. She's been an employee and an employer. She's been a partner in a virtual firm, a franchise owner and a sole proprietor. She's enjoyed **phenomenal success in achieving bottom line results by building customer loyalty, team member engagement and leadership skills**. In addition, she has excelled in training corporate executives and their teams to work more cohesively to enable the desired outcome.

Let Cheryl's insight and expertise improve your business results. Call or email to start a dialog and learn how your business and your life and could benefit from her expertise, her energy and her passion for creating successful business leadership.
