

JESSICA BALLEW INVESTORS BANK

Jessica Ballew, Branch Manager of the Morris Plains Branch of Investors Bank has had over 20 years experience in the Banking Industry beginning her career with First Union National Bank in Florida in 1990. She has had the opportunity to work in every position in the Retail Branch Banking Division, and has assisted in the growth of many branches, both in Sales and in helping those on her team move along in their career path.

At Investors Bank, Jessica currently focuses on Business Development, in assisting those just launching their dreams as business owners to those looking to expand their business and take it to new heights. Her close relationship with her clients has also resulted in her partnering with them through each stage of their business and becoming their trusted financial consultant, offering a unique banking experience and value to her clients.

Jessica resides in Sparta with her three children; Ivan, Jasmine and Alex. She is active with youth community services and owns her own company “J.E.S.S.I.C.A. Cares” assisting at risk teen girls and is currently writing her first empowerment book. Jessica is a Senior at Berkeley College, majoring in Business Management.

Jessica is a member of the Morris County Chamber of Commerce, serves on Steering Committee for Women In Business, serves on the Education and Professional Development Committee for the Chamber, Vocational Trainer for Jersey Battered Women’s Service, member of Impactful Women’s Association, Corporate Committee Board member for Project Re Direct and a Leadership Morris Alumni.
