Once you're signed up, using UPS is simple. Packages can be processed from the "Shipping" tab after logging into ups.com and they can be dropped off at any of our 61,000 drop off points, including over 4,400 neighborhood locations of The UPS Store. If you can't drop off your package, scheduling a pick up has never been easier. Call (800) PICK-UPS or click on the "shipping" tab at ups.com to schedule your same day or future pick-up.

Once your package is shipped, always know where it is by using [UPS Quantum View NotifySM](#). With this time-saving service you can receive notifications when packages are picked up, when they are delivered and when there are exceptions. Exception notifications let you know when and why a package may not meet its original scheduled delivery date, and will provide you with a rescheduled date of delivery. These services and more are available to MCCC! [Enroll today!](#)
