

## **Alan Beaulieu of ITR Economics Will Speak to Chamber at EOL**

Alan Beaulieu will be speaking at Morris County Chamber of Commerce Annual Economic Outlook Luncheon at the Park Savoy in Florham Park. The event is being held on Thursday, October 16, 2014 from 11:00 a.m. – 1:30 p.m.

Alan Beaulieu is the principal of ITR Economics and is regarded as one of the United States most informed economists. He is the co-author of the book “Make Your Move” as well as numerous other economic analysis articles. For over twenty years, Alan has consulted with companies throughout the US, Europe and Asia, helping business leaders capitalize on emerging trends to increase their profitability. ITR Economics is the oldest, privately-held, continuously operating economic research and consulting firm in the US.
